# About Langham Hall

Langham Hall was established in 2006 with the Jersey office opening in 2010. We provide fund administration services for over 200 funds and depositary services to over 80 funds and \$40 billion in the finance sector.

Langham Hall has won a number of industry awards including most recently the 2019 ACQ global award for UK Real Estate and Private Equity Fund Administrator of the Year.

The Rising Star Awards were introduced to the Island in 2019 and since then there have been 3 events, in which Langham Hall has won the Funds category each year. We had 2 Winners in this years Jersey Finance Rising Star Awards:

**Harry Messervy**  
**Fund Manager**  
***Funds Category***

**Leandro Rodrigues**  
**Senior Fund Accountant**  
***Accounts Category***

# Team Socials, Sport, Wellbeing and Charity

# Our employees thoughts

## **Max Cornish, Fund Administrator**

Langham Hall truly puts the employee first in allowing them to choose how they would like to progress and then provides them with the support and opportunities necessary to achieve this.

I was given the tools to develop my career and take on additional responsibilities from day one.

## **Sam Creavy, Assistant Fund Accountant**

I started as an Assistant Accountant in February 2021 and was promoted to Assistant Fund Accountant in July 2022 after completing my first four ACCA exams.

I have gained a wealth of knowledge through working on multiple clients from different sectors of the finance industry and with the help of my team who have been supportive of me since day one.

## **Brittany Stead, Fund Administrator**

Langham Hall is a great place to work as it has a friendly environment along with a welcoming office. You have the chance to further your knowledge through taking a range of professional qualifications.

Joining Langham Hall after leaving college has been a great decision for me as I have joined with many other employees my level who did not have any experience in funds, this made it easier to confide in others.
